ROCKY RIVER, - OHIO

INTRODUCTION

We take pleasure in presenting our 1936 Dahlia catalogue to our many friends. You will note the absence of old favorites, American and Foreign, but these have been supplanted by newer varieties for we grow only the latest and the best and discard the rest.

Our prices are not the cheapest but our roots and plants are among the best.

We shall continue our policy of sending out only the strongest, healthiest stock it is possible to produce. Prompt and efficient service is assured.

H. H. Smith.
